Dear God, who is here on earth, as well as in heaven.

We thank you that when we woke up this morning, we were able to have breakfast.

We pray for children who didn't have any breakfast this morning, and who will only eat once today.

We thank you that you ask us to be part of the answer and that we can bring help to difficult situations.

Please use our prayers and our actions to bring hope to struggling people.

Amen.

Lord of the Harvest, we thank you for all the blessings of our lives.

We thank you that we have delicious food to eat and clean water to drink.

We thank you that when we sleep tonight, we will be in a comfy bed in a warm home.

We thank you for all the things we enjoy doing and for the things that make us smile.

This day we give you grateful thanks.

Amen.
